## FOR IMMEDIATE RELEASE

### ***CDF chosen to present New Product at the Association for Dressings and Sauces Technical Meeting***

Plymouth, MA, February 5, 2015 - CDF Corporation, a leading manufacturer of [drum](#), [pail](#), [intermediate bulk container](#) and [bag in box liners](#) and [flexible packaging](#), will be presenting “EZ-Flo™ Packaging and Dispensing System” at the Association for Dressings and Sauces Spring meeting.

The Association for Dressings & Sauces Technical Meeting will be held May 3<sup>rd</sup> through the 5<sup>th</sup> at the Hyatt Regency San Antonio Riverwalk in San Antonio, Texas. The technical meeting includes varied technical sessions that provide know-how and solutions for dressings, sauces and other condiment product manufacturers and suppliers.

CDF has been selected to present at the New Products and Services Presentations, which is a portion of the Technical Meeting, held on Monday, May 4 from 1:30 – 3:00 p.m. Eleven companies will be giving presentations on a new product or service offered to the food industry. Individuals involved in research and development, quality assurance, operations, technical sales, marketing and other fields will be present.

At the New Products and Services Presentations, CDF Corporation will present their newest product, the [EZ-Flo Dispensing System](#), an environment-friendly dispensing alternative to traditional squeeze, pump and spray bottles. The EZ-Flo's innovative dispensing system uses patent pending technology to dispense products of various viscosities without the assistance of gravity. The system is cost effective, reducing waste, time and labor, while improving overall productivity.

Representing CDF will be Mark Sinn, Product Manager for the EZ-Flo Packaging and Dispensing System. Mark is responsible for the global development and growth of the EZ-Flo product line. His current business goal is to increase market awareness of the product benefits. Mark is currently working with many industry leaders in the food market.

The Association for Dressings and Sauces (ADS) represents manufacturers of salad dressing, mayonnaise and condiment sauces and suppliers of raw materials, packaging and equipment to this segment of the food industry. Its purpose is to serve the best interests of industry members, its customers, and consumers of its products through a governing body of a 16-member Board of Directors and eight working committees. <http://www.dressings-sauces.org/>
