

Cheertainer®

A smart alternative to traditional packaging, the Cheertainer is an innovative, flexible package that flattens the competition. It is a gusseted, form-fit multi-ply bag that gives you the best of both worlds; the flexibility of a bag-in-box, as well as the benefits of a rigid container.

Benefits

- Manufactured in a clean environment, using cutting-edge CDF1 Smart Seal Technology™ that monitors and ensures consistent, high-quality seals
- Excellent quality due to superior seam strength
- Reduced plastic consumption when compared to rigid cube-shaped containers, plastic pails and bottles
- Virtually flat bag minimizes shipping and warehouse space requirements
- Replaces many rigid packages
- Fills without air, therefore no foaming or splashing
- Flexible cube shape minimizes dead space, allowing more product per pallet
- 99.9% dispensing without surging or glugging
- Suitable for use with manual, semi-automatic, and fully automatic fill lines
- Fitment is always in the correct position in the box
- UN rated and certified for air transport

Cheertainer®

CDF1 Smart Seal Technology™

Using state of the art equipment and quality control standards of the highest caliber, CDF1 Smart Seal Technology ensures the ultimate reliability of Cheertainer liners. Proprietary CDF1 Smart Seal Technology optimizes precision and consistency through monitoring the temperature, time and pressure of every seal on every liner.

Multiple Sizes

Standard sizes include 5L (1.25 gal), 10L (2.5 gal) and 20L (5 gal).

Material Choices

Standard Barrier – A combination of polyethylene and oriented-nylon which provides superior strength, durability and is compatible with many products.

High Barrier – Uses co-extruded nylon/EVOH for significant protection from oxygen.

Other Materials – Available upon request.

Multiple Fitment and Tap Options

Whether filling manually or on an automatic line, we can supply the appropriate fitment to meet your needs.

Applications

Food and beverage products, chemicals, detergents, creams and lotions, inks, paints and coatings.

Custom Services

CDF offers engineering support to integrate the Cheertainer into your production, including filling options.

Eco Smart

- Reduced packaging
- Fully recyclable
- Reduced transportation

CDF warrants that its products will be free from defects in material and workmanship for one-hundred eighty (180) days after the date of delivery. Warranty claims must be made in writing no later than five (5) business days after the expiration of the warranty period. CDF's obligations under this warranty are limited solely to replacement of such products as are proven to be defective after CDF's inspection. The foregoing limited warranty is exclusive. CDF expressly disclaims and excludes any and all warranties, express or implied, including implied warranties of merchantability and fitness for a particular purpose relating to the use or performance of CDF products. CDF shall not be liable for personal injury or property damages unless caused solely by CDF's negligence. CDF shall not be liable for loss of profit or other special, indirect, incidental or consequential damages arising out of the use of CDF products, regardless of the legal theory on which the claim is based and even if CDF has been advised of the possibility of such damages.
